

# Crafting For Charity

A group dedicated to crafting and donating homemade items to those in need of warmth, compassion and the love of others.

If you haven't crocheted or knitted in a while and would like to start again or are currently working on any projects for charity, please consider this a time to get together to fellowship, to learn and to share what we are doing with each other. If you don't know how to crochet or knit and would like to learn, we can help you get started. If you prefer, there are blankets that can be made simply by tying the edges of two pieces of fleece together—simple to do and very cute!

If you need more information, contact Valerie Webb at (708) 624-9272 or email me at [vjwebb59@yahoo.com](mailto:vjwebb59@yahoo.com).

I believe this is a chance to do something good for ourselves and others at the same time.
